Reasons to Attend

Here's why you can't miss this year's event:

Be part of the world's only AWP Conference: this is the exclusive, premiere AWP forum

Gain insight into how owners are qualifying vendors based on AWP competence / capacity

Demonstrate your organization's commitment to delivering services within the AWP framework by attending as a team and networking with owners

Enhance your organization's depth by keeping up-to-date with the latest developments in the AWP body of knowledge.

Themes that will be covered include the AWP value proposition, the critical role of data in successful AWP implementation, AWP as a portfolio approach, and much more, including AWP 'how-to' sessions (flip page for program).

Network with world-class owners using AWP, thought-leaders, builders, technology experts and implementation support firms

+ **PLUS:** Dive even deeper at an owner-driven post-conference event for all AWP practitioners:
